Newsletter February 2018

All hands on deck to get the old floor up and out, Bob was cracking the whip from 8:30 am Sunday morning, armed with a shovel and a wheelbarrow and taking no prisoners.

The team worked hard all morning, removing the floor, then came the task of trying to dustproof the hall as much as possible for the week ahead.

Our very own Knight in shining..... white van, in the shape of Paul Livesey, made very light work of laying the floor, and we couldn't be happier with the service we received from Superior Finish Ltd

A big thank you to everyone who had a hand in helping, aged 6 to 76, it has been a real team effort.

So how does it look?

  - Where does all the money go?
  - What do the committee do?
- Why do we have a new cellar system?

Then why not attend the Annual General Meeting and find out. These meetings are a chance for members to make a difference to THEIR club. Find out how the accounts shaped up for 2017.

Any motion must be submitted in writing to the Secretary within 10 days notice of the AGM date. This motion will then be added to the agenda and displayed in the club. Any counter proposal must be submitted in the same manner within 5 days notice of the AGM date.

### Would you like to be a committee member?
