Newsletter September 2018

COMMITTEE MEMBERS NEEDED

To keep the Comrades Club functioning effectively and with more events taking place there are several vacant General Committee Members places which need to be filled.

These places can be filled by any member male or female, old or young who meet the criteria required.

It would be lovely to have some members take up these vacancies and help make a difference.

To be eligible requires paid up membership for six months.

Further information can be found in the RULES of the GODMANCHESTER COMRADES CLUB AND INSTITUTE LIMITED.

A committee helps in many ways. Making decisions and voting on issues which affect all members. Helping with maintenance, painting, keeping order, helping at functions etc.

The length of commitment can be from 1 to 3 years.

Committee meetings are held at the Comrades Club on the 2nd Wednesday of each month starting at 7.00 pm. and lasts for approximately 2 hours.

The Annual General meeting is always held in March.

If there are any members interested please contact the Secretary.

This is a good way to find out how the club operates and the importance of having a full committee.

GODMANCHESTER REMEMBERS
